PREFACE

This meeting is being organised by Dominic and Owen Rudge. Following on from previous meets, the decision was taken to hold the meet at the National Rail Museum, York, UK. The date has been decided as 8th August 2009.

The meet in 2008 was very popular and following on from that we have this year organised a location to meet in that is secure, safe with somewhere to leave bags and coats. We have chosen a meeting point that is easy to get to, central and easy to find.
